RULES

The following rules for the tournaments will be used. These rules
will be interpreted solely by the Tournament Committee and all
decisions are final. All Missouri State Conservation and Water Patrol
regulations do apply.

Tournament Committee: The Tournament Committee shall
consist of the Tournament Director and ten (10) committee members. The
Tournament Committee will be responsible for the weighing and for
resolving any disputes. The Tournament Committee reserves
the right to appoint partners in specific circumstances. The Tournament
Committee reserves the right to reject any entry. Any unsportsmanlike
conduct or abusive language could result in suspension from future
tournaments.

Safety: Safe boating and fishing practices must be observed by
all participants at all times. During the take-off, all contestants are
REQUIRED to wear a life jacket, which must be securely fastened. All
boats must have the appropriate Coast Guard safety devices.

Permitted Fishing Locations: Fishing is permitted anywhere
within the Tournament Lake, except that no contestant is allowed
to fish within 50 yards of another contestant if he is anchored.

Tackle and Equipment: Only artificial bait or lures may be used.
No live bait or prepared bait may be used other than pork or pork-type
bait. No trolling is permitted. Only one rod may be used at one time. All
bass must be caught on rod and reel. A landing net may be used. All
fish must be caught and landed from the boat.

Scoring: Only Largemouth Bass, Spotted Bass and Smallmouth Bass
will be counted. Total stringer will determine place. Any bass that does not
measure will cause 2 lbs. to be subtracted from the stringer weight and
loss of that fish. Bass must be 15 inches long and no more than 5 fish per
boat may be weighed in. Each Contestant is expected to take the utmost
care of his fish so that all living bass may be returned to the lake. No
frozen or mangled fish will be submitted for weigh-in. Any such fish will be
deducted and turned over to the Tournament Committee for review. Any
contestant doing so will be disqualified and subject to disciplinary action
by the Tournament Committee. After the Contestant submits his or her
fish to be weighed in, the contestants will not be allowed to touch or
handle the fish again. Decision on short fish will be made by the official
weighmaster. A courtesy board will be available to all contestants prior to
weigh-in. Measuring will be conducted by closed mouth and pinched
tail. Flat measuring boards will be used as official measuring. All live
tournament fish will be returned to the lake, except for 5 lb. trophy fish to
be mounted by contestant. A 2 oz. penalty per dead fish will be deducted
from the total stringer weight.

Check-In Late Penalty: All boats must be checked in by 2:30 p.m. Late
contestants will be penalized 1 pound per minute up to 10 minutes,
then disqualification. Contestants must check in from the same boat they used
for take off.

Eligibility: No one will be eligible to participate in the tournament
who receives more than 50% of his/her gross annual income from
tournament prize money, or if they receive payment for guide services.

Protests: Any contestant wishing to protest the conduct or score of
a fellow contestant must do so in writing and file it the same with the
Tournament Committee, within 30 minutes after his flight is scheduled
for weigh-in. The Tournament Committee may, on its own motion, take
up and decide questions relating to any contestant’s conduct and score.

ENTRY FEES ARE NON-REFUNDABLE.
