

Plumbers & Pipefitters Local 562 Health Center Nurse

Summary of Position: Plumbers & Pipefitters Local 562 Health Center is looking for a highly motivated individual to join our team as a nurse. You would be responsible for greeting patients, assessing patient needs and working with physicians and patients to provide optimal patient care.

Requirements:

- Completion of a 2 year associate degree or 4 to 5 year Bachelor of Science degree program including a State of Missouri nurses license issued by the Missouri Board of Nursing.
- Current CPR certification.
- Experience working within various office settings, preferred.
- Excellent Microsoft Suite skills and experience with electronic health records (EHR).
- Outstanding ability to multi-task and meet a variety of patient needs.
- Willingness to take initiative, think creatively and solve problems.

Duties and Responsibilities:

This position will include the following responsibilities. Other duties may be assigned at the discretion of the physician.

- Ability to assist physicians across various health disciplines.
- Ability to triage calls for urgent appointments and referrals for patient consults and testing.
- Ensure regulatory compliance with HIPPA medical privacy guidelines and OSHA guidelines.
- Administer injections and medications, dress wounds and incisions, interpret physicians instructions to patients and perform related tasks as directed.
- Perform other duties as assigned.

Additional Information:

- Compensation will be discussed at time of hire.
- Interested applicants should send a cover letter and resume via email or mail to:
