

November 2, 2020

Dear Brother/Sister Member,

On April 2, 2020, the Executive Board of Plumbers & Pipefitters Local Union No. 562 passed a resolution to establish a COVID-19 Assistance Program to assist members negatively impacted by the COVID-19 Pandemic.

On October 14, 2020, the following changes were made to adjust the program for November and December 2020.

How to receive a full Assistance Benefit:

1. You must be a member in good standing
2. You must be on the Out of Work List (OOWL)
3. It is your responsibility to call in the week you are affected. Please note you must call in within the month you are laid off. **Once a new month starts NO checks will be given for previous months.**

Things that will keep you from receiving a full Assistance Benefit:

1. You were fired
2. You turned down work
3. You quit a job
4. You are not a member of Plumbers and Pipefitters Local 562

These are your responsibilities:

1. Current with your UA Dues
2. Union office has your most current address
3. Contact Abbie Feldt in the Union Office to ensure your spot on the Assistance list

If there are any questions or concerns regarding this program, please feel free to contact Abbie in the Union office at 314-355-1000

Fraternally,

John J. O'Mara
Business Manager/Secretary-Treasurer
